Re: In re Visa Check/MasterMoney Antitrust Litigation (CV-96-5238)(JG)(RLM)

Dear Judge Gleeson:

I write to request clarification from the Court regarding one portion of today's Order adopting the Special Master's June 20, 2008 report and recommendation, as it relates to an award for payment of \$91,380 in fees to Cannonade Capital ("Cannonade").

In the analysis section of the report and recommendation (at page 18), Cannonade's requested fees were decreased from \$91,380 to \$76,150 (or from a rate of \$600/hour to a rate of \$500/hour, with leave to seek reimbursement for an additional \$100/hour under certain circumstances).

However, even though the Court adopted the Special Master's report and recommendation in its entirety, the summary pages of the report (at pages 2 and 20) recommend paying Cannonade \$91,380, or the full amount initially requested. We respectfully request confirmation that the amount ordered for Cannonade should be \$76,150, as reflected at page 18 of the report and recommendation.

Respectfully submitted,

Michelle A. Peters
